The Environmental Education Center is drug and alcohol free. It is handicap accessible. The main lodge has a dining area and two fireplaces. The rustic cabins are heated, have bathrooms with hot showers, and camp style bunk beds. This cozy campground habitat will bring out the inner child within you to help your true desires become attainable.

We will ask that all cell phones and other electronic devices are turned off and packed away during your time with us to ensure the mood of the wilderness is maintained. We ask that participants who drive in park their cars and not leave the grounds until after the event, 4pm Sunday afternoon.
